Answer

THE MINISTER OF STATE FOR WATER RESOURCES, RIVER DEVELOPMENT AND GANGA REJUVENATION

(DR. SANJEEV KUMAR BALYAN)

(a) to (c) Water resources projects are planned, funded, executed and maintained by the State Governments themselves as per their own resources and priority. In order to supplement the efforts, Ministry of Water Resources, River Development and Ganga Rejuvenation (MoWR,RD&GR) provides financial assistance to State Governments to encourage sustainable development and efficient management of water resources through various schemes such as Accelerated Irrigation Benefits Programme (AIBP) etc. under Pradhan Mantri Krishi Sinchayee Yojana (PMKSY).
Ninety Nine (99) ongoing Accelerated Irrigation Benefits Programme (AIBP) projects (along with phases), including Subernarekha Multipurpose projects of Jharkhand, having irrigation potential of 76.03 lakh ha., have been identified for completion in phases up to December, 2019 in consultation with the States. For completion of these projects in a mission mode, funding mechanism through NABARD has been approved by the Government for both Central as well as State share. State/Project-wise details are at Annexure.
